---

•Presidents Day-:-Monday, February 20, 2023

The Center will be closed for children; however this will be a Training Day for staff, which is a requirement by the Office of Licensing, Department of Children and Families. In addition, it will support the training hour requirement for NAEYC Accreditation and Grow NJ Kids.

\*\* Transition Days will be needed before and after Summer Program: most likely one in June and one at the end of August. The exact days will be dependent on the actual last day of public schools for the 2022-2023 School Year and the first day of public schools for the 2023-2024 School Year.
