Friendly Reminder

<u>2024 Food Program Applications</u> are due. Since the Center is a sponsor of this Program, we are required to have all families complete one yearly.

Please fill one out, if you haven't already.

<u>Universal Health Forms</u> are required yearly to be filled out by your child's doctor during their well checkup.

Also, all children under 5 years of age need to have the flu shot by December 1st.

These are required by health regulations.

Thank you for taking care of these in a timely manner.

This is the Center's MAIN source of communication with all our families.

ARE YOU SIGNED UP??

You can use it on any device: it is a simple, free mobile app for iOS and Android.

We need all families to use Class DoJo to stay well informed.

Parent & Family Involvement Survey

Thank you if you have already completed the orange survey/involvement sheet!

If not, please do so today and put it in the pocket folder in the foyer.

Thank you!

The Center will be OPEN.

Holiday Care is a convenience program which is not covered by any funding.
