**\*\*ONLY 10 PARENT/10 CHILD SPOTS AVAILABLE DUE TO SAFETY GUIDELINES\*\***

All children ages 6-59 months of age attending a day care or preschool program must receive a seasonal flu vaccine.

Please provide proof (or a medical/religious exemption) no later than September 25th.

The State of NJ requires all child care centers to have an updated Universal Health Record on file for all children enrolled. This means we need a new one EVERY YEAR, along with every record of any new immunization throughout that year. All records need to be in compliance no later than September 25th or your child will not be permitted to continue in the program.

If you have not signed up for EZ-EFT (Auto Pay), our preferred payment method, please remember that tuition is due EVERY Friday for the upcoming week for your child to be allowed to continue in the program as of the following Monday morning. We accept online payments, money orders, & cash.
